

Our 2011-12 scholarship recipient

Each year, our branch sponsors a fundraiser at its December meeting for the Schwenning Scholarship. We raise \$1500 to be given to a female graduate student at UNC-CH. This scholarship is administered by the UNC Financial Aid Office.

STEM EDUCATION

AAUW values the importance of supporting girls in science, technology, engineering, and math as part of our mission. Our branch supports local STEM projects.

AAUW'S CAMPUS LEADERSHIP PROGRAMS WE SUPPORT PROGRAMS THAT FOSTER LEADERSHIP IN GIRLS AND WOMEN

Elect Her-- Campus Women Win encourages and trains college girls to run for student government positions on their campuses in the hope that running for office won't seem so daunting once they leave campus. Our branch has supported **Elect Her** workshops at **NCCU** in past years. **Start \$mart** provides college women with the skills to negotiate salaries and benefits.

Campus Action Projects are annual, grant-funded student-led projects that put AAUW's latest research into action.

AAUW Fellows: Trail blazers in a Broad Spectrum of Fields

NCCU Elect Her Attendees, Volunteers, and Organizers

We support **AAUW's Education Opportunity Fund** with our dues and with a yearly fundraiser. Women in the U.S. and globally receive these fellowships. While numbers vary from year to year, on average, Triangle Area Universities host 12-15 AAUW fellows. Our February Meeting spotlights area fellows' research.
