Happy 4th from AAUW-ODC!

Call to Action

From our new AAUW-NC Public Policy Chair:

Can we take action now? Yes. We can:

- We can tell our legislators to support **House Bill 1119** and **Senate Bill 888**, which would codify Roe v. Wade rights into NC state law. You can find your representatives here: <https://www.ncleg.gov/FindYourLegislators>

- We can support the Carolina Abortion Fund. Learn more here: <https://www.carolinaabortionfund.org/>
- We can become trained advocates engaged in clinic defending and clinic escorting with NC organizations such as Charlotte for Choice. Learn more here: <https://www.cltforchoice.com/> (please note that Charlotte for Choice has requested that supporters NOT just show up outside clinics to protest or engage with protesters--this disrupts patient care)

Information provided by our new AAUW-NC public policy chair. AAUW has a long history of supporting women's reproductive rights and the right to privacy.
